Elite Detection Dogs

I confirm that I have dealt with Sherri Hall, Owner and Founder of Elite Detection Dogs since May 2011, during which time Elite Detection dogs has provided my business with excellent support in the areas of bed bug scent detection dog services. These supports included the sourcing a scent detection dog, the training of our dog and dog handler, and ongoing provision of scent dog detection services. Sherri's work is outstanding and has been an important factor in helping our business become one of the most effective bed bug service operations in Hamilton and the surrounding areas.

I can confidently recommend Elite Detection Dogs as a solid, creative and reliable supplier, and experts in their field.

Yours faithfully
